

A four-day voyage to rejoice in Setouchi roaming NEW

Guntû sails the spring seas

This journey offers an exceptional experience of guntû’s Setouchi roaming” style of travel. After passing through the Onomichi Channel and cruising the narrow waterways and dramatic island-dotted seascape of the Geiyo Islands, guntû anchors overnight in the calm shelter of an island bay. After the second day, the voyage continues into the open waters of Hiuchinada, then heads east through the ever-shifting and picturesque scenery around the Shiwaku Islands and the Great Seto Bridge. Each place and moment reveal distinct impressions as you drift across the Inland Sea. Enjoy a quintessential guntû experience of an unhurried four-day journey that captures the true pleasure of traveling where the wind takes you.
