

## A three-day voyage to explore old pirate sites and navigate their routes

Tidal Current Experience

The Shimanami Kaido bridge network crosses through the Geiyo Islands, where islands frame narrow channels and complex topography has given the area a reputation as one of the most challenging parts of the Seto Inland Sea. This three-day voyage explores the waters of the legendary Murakami pirates, who safeguarded traffic of people and goods through the region.

Noshima

### Schedule

1st Day	Departure from Bella Vista Marina (4:30 p.m.) → Onomichi Strait → Mihara Strait → Okunoshima → Anchor offshore at Omishima, Ehime
