

Charter plan (Departure in 2024)

Our little hotel floating on the Seto Inland Sea can be your private space. Pass the time with your treasured family, friends and guests any way you like.

From a dining experience of “what you want, as much as you want” to the customization of off-ship activities and the ship’s route, we promise you a luxurious time traveling among the 700 islands that dot the Seto Inland Sea.

Month of departure	Charge for Charter
